Giving & Receiving Feedback

Giving and receiving feedback well is essential to effective communication, yet it is a challenging skill to master.

This workshop provides a framework for giving positive and constructive feedback, and explores non-defensive ways to respond to feedback.

Participants will also have an opportunity to apply feedback tips and techniques to real-life scenarios.

March 16, 2021 • 8:30 a.m.—12:00 p.m.

This workshop will be delivered via Zoom. A meeting invitation will be sent in advance of the session.
